MICHAEL W. BOBBINS

CLERK, U.S. DISTRICT COURT

I am not equipped with a copy machine at this facility. Please forgive my effort to hand write copies. In addition, I do not have proper summons to provide as well. I only pray to get my claim on docket in time to meet the 12 month dead line and then correct and or provide for any mistakes or oversights as the case moves forward. (no stapler either)

With respect
